* From September 2014 all children in reception, year one and year two became entitled to free school meals. You don't have to apply, just tell the school you want meals for your child. However, if you are receiving a qualifying benefit, your school could also be entitled to an extra £1,300 pupil premium to support your child. Please ask your school for the short form you can complete to give them this information. If eligible – your school can then apply for this amount.
